

# 1000% Options Trades Examples

You may find it hard to believe that there are regularly occurring 1000% PLUS options trades that occur in the markets. To demonstrate, below is a small selection of charts so you can see for yourself. Greg Shrader's new course will teach you how to clearly identify, properly select, and successfully trade these kinds of moves in many markets. Wouldn't you rather make 1000's of percent on your trades rather than the 10's of percent most traders make?
